PRELIMINARY AMENDMENT

Sir:

Please enter the following amendments into the application:

In the Specification:

Please replace paragraphs 1, 6, 10, 56, and 101 with the following replacement paragraphs:

Paragraph 1:

A1
This application claims the benefit of U.S. Provisional Application Nos. 60/220,135, "Computerized Medical Questionnaire and Biomarker Identification System Including Network Access," filed 7/21/2000, and 60/226,204, "Longitudinal Patient-Centered Collection and Analysis of Clinical Data," filed 8/18/2000, both of which are herein incorporated by reference.

Paragraph 6:

A2
Also known in the art are computerized medical diagnostic questionnaires, such as that described in U.S. Patent No. 6,022,315, issued to Iliff. The system described in Iliff is intended to provide diagnostic and treatment advice to the general public over a computer network, such as the Internet. The Iliff system presents a number of medical
